

## **Assignment 1:**

**GROUP ASSIGNMENT:** Group Size: 2 (Make your own groups)

Your task is to present a story based on **scientific discovery or innovation** that illustrates one or more of the World Economic Forum's "Top 10 Skills for Tomorrow." (which are mentioned in the link below)

<https://www.weforum.org/agenda/2020/10/top-10-work-skills-of-tomorrow-how-long-it-takes-to-learn-them/>

The assignment has two parts:

### **A. Report (4 Pages Maximum)**

1. **Story Summary (1 page maximum):** Provide a brief, condensed version of the story, ensuring that it highlights the relevant skills.
2. **Skills Contribution (2 page maximum):** Identify which of the top 10 skills played a critical role in the story and explain how they contributed.
3. **Practical Advice (1 page maximum):** Offer practical recommendations on how your classmates can improve these skills. Suggest exercises or activities that can help strengthen the highlighted skills.

Note: All content must be original, don't use CHATGPT. Plagiarism will result in a score of zero.

### **B. Presentation (5-6 minutes)**

Your presentation will be assessed on:

1. The quality and organization of the information, ensuring clarity and ease of understanding.
2. Engaging the audience with clear articulation, effective use of tone to emphasize key points, and maintaining attention throughout. You should open with an attention-grabbing

introduction and close with a strong conclusion.
